

BBM Clair is one of Europe's leading providers of event technology. Not only do we look after renowned international touring acts, but as a service provider for all types of event and media technology, we are also professionals for festivals and corporate events. To expand our team, we are looking for a:

Electrician (m/f/x)

Location AudioRent Clair GmbH, Hertzstraße 73, 13158 Berlin
Type of employment Full-time, permanent position

Your tasks:

- Responsible for the care and maintenance of all electrical installations (power distribution, cables, equipment, etc.)
- Maintenance and safety inspection of the electric chain hoists from the rental park
- Carrying out and documenting service reports and measurements in the in-house IT system
- Wiring work as well as mechanical work in plant construction for the rental park
- Responsible for the building services in the company building
- Analysis and troubleshooting in case of malfunctions
- Close cooperation with various departments in the company
- Repair of electrical equipment, including procurement and replacement of parts, components and assemblies
- General activities of a company electrician within a company building
- Cooperation in general warehouse operations (warehouse work, material control, maintenance and cleaning of equipment and storage rooms, simple repairs)

What we request:

- Training as an electronics technician or electrician
- At least 5 years of professional experience (in the event industry desirable)
- IT user experience
- Independent and goal-oriented way of working, manual dexterity
- A responsible and reliable personality
- A high willingness to serve
- German and English (spoken and written)

What we offer:

- A permanent position in which you can work independently and contribute your ideas to day-to-day work.
- Working at eye level in an international team.
- A collegial, respectful and humane working environment in which the “we” has the greatest importance.
- The possibility to participate in regular training courses in all specialist areas (with a focus on sound).
- Advancement opportunities (national/international).
- Different working time models (100% or 80%).

You are welcome, no matter where you come from and who you are!

We know that sometimes people don't apply for a job, because they think they have to cover all the skills listed in the job specification and are put off when they don't. What is important to us in the first place is that you have core competencies, are motivated, want to develop and learn, and that you fit into the team. Everything else will develop and build up in cooperation. We offer regular training courses in all specialist areas (with a focus on sound).

If you are interested in that position, we're looking forward receiving your application. Please use following email address:
