

BBM Clair is one of Europe's leading providers of event technology. Not only do we look after renowned international touring acts, but as a service provider for all types of event and media technology, we are also professionals for festivals and corporate events. To expand our team, we are immediately looking for a:

Event Technician (m/f/x): Desks & E-Shop

Location AudioRent Clair GmbH, Hertzstraße 73, 13158 Berlin
Type of employment Full-time, permanent position

Your tasks:

- Provision, packing and return of event technology and consumables belonging to the department.
- Preparation, technical assembly, programming and function test of consoles and racks.
- Handover of the gear to the road crew (on-site support for the ongoing tour preparation).
- Quality control, maintenance and, if necessary, repairs of the event technology belonging to the department.
- Goods incoming / outgoing and stock control with the help of our planning system.
- Inventory, control and quality assurance of the event technology and consumables belonging to the department.
- Storage, creation and maintenance of necessary documentation.
- Observation of new developments on the market.
- Collaboration and coordination with the Head of Department, Preparations and Warehouse Manager.
- Deputizing for the head of department.

What we request:

- Completed apprenticeship as an event technician or at least 3 years of professional experience in the event industry
- Experience with (digital) mixing consoles (Avid, Digico, Yamaha, Allen&Heath)
- (Basic) understanding of digital protocols (AVB, DANTE)
- (Basic) understanding of common DAWs (e.g. ProTools)
- (Basic) understanding of fiber optic interfaces (e.g. Optocore)
- (Basic) understanding of Waves plug-in integration
- English (spoken and written)
- A responsible and reliable personality
- German (desirable)

What we offer:

- A permanent position in which you can work independently and contribute your ideas to day-to-day work.
- Working at eye level in an international team.
- A collegial, respectful and humane working environment in which the “we” has the greatest importance.
- The possibility to participate in regular training courses in all specialist areas (with a focus on sound).
- Advancement opportunities national/ international).
- Different working time models (100% or 80%).

You are welcome, no matter where you come from and who you are!

We know that sometimes people don't apply for a job, because they think they have to cover all the skills listed in the job specification and are put off when they don't. What is important to us in the first place is that you have core competencies, are motivated, want to develop and learn, and that you fit into the team. Everything else will develop and build up in cooperation. We offer regular training courses in all specialist areas (with a focus on sound).

If you are interested in that position, we're looking forward receiving your application. Please use following email address:
