

BBM Clair is one of Europe's leading providers of event technology. Not only do we look after renowned international touring acts, but as a service provider for all types of event and media technology, we are also professionals for festivals and corporate events. To expand our team, we are immediately looking for a:

IT & Network Engineer (m/f/x)

Location AudioRent Clair GmbH, Hertzstraße 73, 13158 Berlin
Type of employment Full-time, permanent position

Your tasks:

- Equipment maintenance, coordination of repairs and RMAs. In addition to the devices, this also includes the glass and copper cables.
- Pre- and post-production maintenance of rental computers (applying and maintaining stock images, resetting network devices to default settings, tracking software/firmware updates, etc.).
- Preparation and scheduling of IT implementations that are distributed to productions
- Configuration of switches, routers, WiFi access points and servers
- Taking responsibility for shipping IT equipment to productions.
- Documentation of topologies.

What we request:

- Completed apprenticeship in informatics (desirable)
- A good understanding of layer 2, 3, ... networks, spanning trees, and IGMP snooping
- A good understanding of server hardware, virtualization with vmWare ESXi
- Level 2 support of Windows and Linux operating systems (desirable)
- Experience with Cisco Catalyst switches, FortiGate Security Appliances and MikroTik routers (desirable)
- Qualifications as CCNA/MTCNA/FCNA (desirable)
- English (spoken and written)
- German (desirable)

What we offer:

- A permanent position in which you can work independently and contribute your ideas to day-to-day work.
- Working at eye level in an international team.
- A collegial, respectful and humane working environment in which the “we” has the greatest importance.
- The possibility to participate in regular training courses in all specialist areas (with a focus on sound).
- Advancement opportunities (national/ international).
- Different working time models (100% or 80%).

You are welcome, no matter where you come from and who you are!

We know that sometimes people don't apply for a job, because they think they have to cover all the skills listed in the job specification and are put off when they don't. What is important to us in the first place is that you have core competencies, are motivated, want to develop and learn, and that you fit into the team. Everything else will develop and build up in cooperation. We offer regular training courses in all specialist areas (with a focus on sound).

If you are interested in that position, we're looking forward receiving your application. Please use following email- address:
