What we offer:

- A permanent position in which you can work independently and contribute your ideas to day-to-day work.
- Working at eye level in an international team.
- A collegial, respectful and humane working environment in which the “we” has the greatest importance.
- The possibility to participate in regular training courses in all specialist areas (with a focus on sound).
- Advancement opportunities (national/ international).
- Different working time models (100% or 80%).

You are welcome, no matter where you come from and who you are!

We know that sometimes people don't apply for a job, because they think they have to cover all the skills listed in the job specification and are put off when they don't. What is important to us in the first place is that you have core competencies, are motivated, want to develop and learn, and that you fit into the team. Everything else will develop and build up in cooperation. We offer regular training courses in all specialist areas (with a focus on sound).

If you are interested in that position, we´re looking forward receiving your application. Please use following email address:
